■ [UCL English Department Summer School \(UCLEDSS\)](#)

The English Department of University College London, in conjunction with Widening Participation, is organising a three day summer school for students currently studying AS level English, taking place from 9th - 11th August 2010. The overarching aim of this project is to provide students with an experience of the way English is studied at university. In part, our aims are to: Develop critical and contextual skills required at A2 and university levels Help improve the continuation rate between
