aimhigher...
London South

“ It's not just the work that you do, it's not just like the classroom, it's different from secondary school ”

Sutton, year 7 student

Are you...?

Bored with school/college?
Not sure what you want to do?
Never considered going to University?

If you've answered 'yes' to any of the above then we want to meet you!
We are a group of three Universities who offer a different experience of University across the school/college year.

University has loads to offer so why not suck it and see?

“ I liked coming because it was fun and you meet new people ”

Sutton, year 9 student

“ I really liked the magazine activity because it got us thinking more about University ”

Richmond, year 8 student
